7. Photography/Sample Writing (THE FUN STUFF!)

Please attach 3 photographs with extended captions that you have taken along with this application. At least 1 photograph must be a student life picture. The remaining 2 are your choice. Examples of other possible images include sports/sidelines and school spirit, sports/athletes in action, or academics/community service.

☐ Tips on how to take great pictures

- Yearbooks capture stories and memories. Take storytelling photos. Use photocomposition techniques such as rule of thirds, leading lines, a wide variety of angles, etc. in your photos. If you're not sure what these techniques are, don't worry. Just submit what you think are your best photos.

☐ How to Write Great Extended Captions in 4 steps:

- **The Lead-In.** To capture the reader's attention and signal to which photograph the caption relates. **It can be one or two words or a short phrase.** This lead-in serves as a mini-headline for the caption.
- **Sentence One.** Written in **present tense**, the first sentence completely identifies (who, what, when, where) and describes the content, focusing on interesting, little-known details that go beyond the obvious. It answers the reader's questions concerning the action of the photo. Use specific names, visual nouns and strong action verbs. Avoid starting a caption with the name of an individual or the group.
- **Sentence Two.** Written in **past tense**, it presents behind-the-scenes facts. This part of the caption often focuses on the why and how. It supplies readers with answers to their questions and should tell about something that cannot be seen in the photo. A direct quote should be in the last sentence of the caption. Please note: In sports captions, add the outcome of the game and the significance of the play pictured.

8. Teacher Recommendations (required of ALL applicants):

We require TWO recommendations describing your strengths as a student.

- **At least one must be completed by an English teacher**, as it is vitally important that our staffers be competent copy editors regardless of whether or not they are writing the copy (copy = text).
- The other recommendation may be from a teacher in any subject, but keep in mind that we are more interested in the opinions of those in literary, artistic or graphic design fields as they are more relevant to the work we do. Whomever you choose to write this recommendation should be able to address your abilities to work with others, make deadlines, and perform well on major projects.

Teachers may turn in recommendation forms directly to **Mrs. Randolph (room 104)**, or place them in her mailbox at the main office. Recommendation forms must be turned in at the teacher's earliest convenience, so please remind your teachers! Be sure to ask reliable teachers, because it is imperative that you have both recommendations in order to be considered.

Turning in applications early is recommended.

Give one form to an English teacher, and give the other to the teacher who can best assess your relevant skills.
