## CHANCE SILL

The Cooperative Education Program provides students the opportunity to gain a greater understanding of their desired career by being placed at a training site that matches their career objectives.

Chance Sill is currently a senior at Salem Community High School. Chance's training site is The Iuka State Bank where he works closely with his supervisor Luke Alberson to develop the skills needed to succeed in a career in banking.

Working in all departments of The Iuka State Bank has enabled Chance to acquire skills in accounting and money management, and gain the experience needed to help him achieve his career goal in banking.
