## Mackenzi Neff

The Cooperative Education Program provides students the opportunity to gain a greater understanding of their desired career by being placed at a training site that matches their career objectives.

Mackenzi Neff is currently a senior at Salem Community High School.

Mackenzi's training site is at Big R Farm & Home where she works closely with her supervisor Emily Rose to develop the skills needed to succeed in Agri Business. This experience has helped Mackenzi identify various aspects of Agri Business, and gain the skills to help her reach her career goal of working in the animal industry.
